

California OES Weather Threat Briefing

Monday, December 10, 2018
9:00 AM PST

-
- **Day 1 Primary Hazards:** No significant impacts expected

National Weather Service
Western Region Headquarters
Regional Operations Center
Salt Lake City, UT

Key Points

12/10/18 - 12/16/18

Monday - Friday

- Weak Santa Ana winds across SoCal Tuesday-Thursday. No impacts from winds expected

Friday-Sunday

- The next weather system of note will arrive Friday from the Bay area northward. Rainfall rates are not currently expected to reach debris flow thresholds on any burn scar on Friday.
- A more significant weather system will be possible across northern California starting Sunday.
- Southern California is expected to remain dry.
